

IVAN REZENDE ARQUITETURA

Founded in 1982, with a philosophy centered on the development of the architectural project as a global product with answers to the concerns and needs of our customers, our architecture office has shown its expertise in various areas where the special skills of an architectural specialist is needed in order to make the best use of a given space.

With projects in Brazil and abroad, Ivan Rezende Architecture has received awards from the Architects Institute of Brazil, Casa Brasileira Museum, among others.

Currently, with offices in Brazil and Portugal, it consolidates its operations in the international market.

Born in Rio de Janeiro in 1956, Ivan Rezende holds a Bachelor's Degree in Architecture and Urbanism from the Federal University of Rio de Janeiro with a Post-Graduate Degree from the College of Architecture and Urbanism at University of Navarra, Spain.

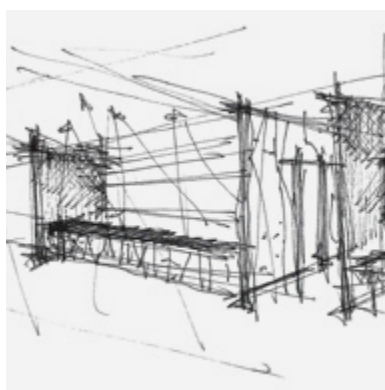

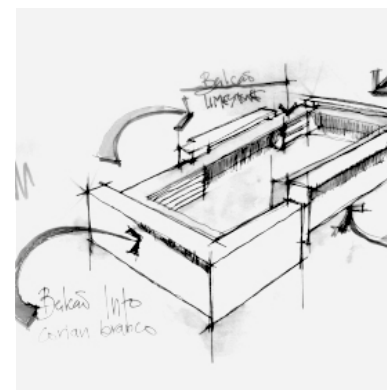

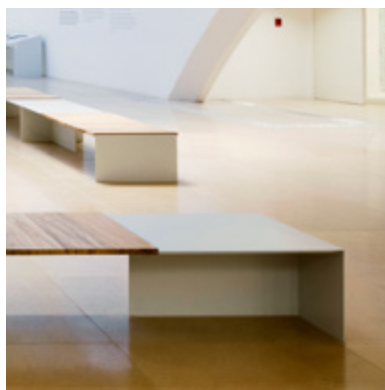

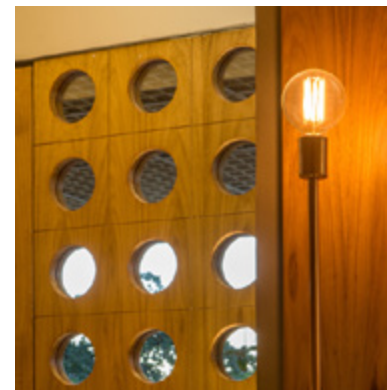

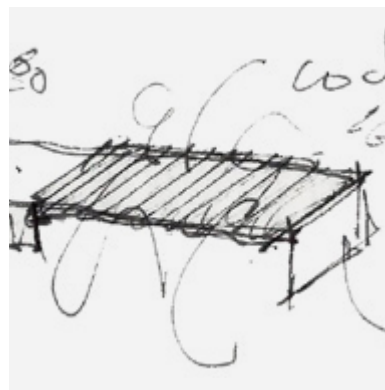

For more than 35 years, has managed Ivan Rezende Architecture's office, where he developed projects in architecture and product design. In addition, Ivan has held positions in the academic area, currently being Professor of the Business Management Course for Architecture and Interior Design Offices of Getúlio Vargas Foundation – FGV.

Ivan has participated in conferences, seminars and lectures in several countries like Angola, Argentina, Brazil, Mexico, The Netherlands, Panama and the United Arab Emirates.

During his professional career, his works have been published in several prestigious news outlets, such as Projeto, O Globo, Casa Vogue, La Mia Casa, Wall Paper and Elle Décor.

In 2018, inaugurated the office Ivan Rezende Architecture in Portugal, creating a new base for its international operations.
